### Special Notes:

Nolan Catholic Summer S&C program utilizes a safe & effective training curriculum that addresses all areas of performance. It is designed to build a strong foundation in S&C - this camp is devised to teach and reinforce the fundamentals of strength, speed, and endurance. Proper technique and execution of all exercises will be a priority. It is our goal to make each day a positive experience for each athlete. \*The Summer Training Program is voluntary and does not guarantee a position or place on a team. This summer-long program will take the correct approach to instruct female & male athletes on the proper techniques necessary to maximize their athletic potential. Utilizing a periodic training program, athletes will improve their linear speed over time. Athletes will also learn the proper mechanics of explosive power and resistance training at an age-appropriate pace. Footwork and quickness will be emphasized to improve change-of-direction skills.
